

**General Supply List**  
**2022 - 2023. Updated: 5.12.2022**

**Textbook Covers**

All textbooks must be covered with a student made cover using paper bags, butcher paper, thick wrapping paper etc. or store purchased covers. Adhesive book covers are not permitted as it ruins the book upon removal. Covering textbooks significantly extends the life of the textbooks.

**Binders**

At least one 3-ring binder to organize their paper, handouts, and assignments

- Most students prefer to have 2-3 binders, with each being devoted to the work for 2-3 classes.
- Students may choose the size for their binders (1.5 – 2 inch binders are recommended).
- Binders must be free of pop cultural depictions, sports teams, logos, messages, etc.

**Paper**

A constant supply of loose-leaf paper to complete assignments and take notes

- College ruled or wide ruled paper is acceptable.
- Students may also use spiral-bound notebooks to take notes for classes.
- Most students prefer to have 1 “single-subject” notebook per class to keep their notes organized.

**Writing Utensils**

- 2 sharpened #2 pencils (mechanical pencils are permitted)
  - Students are encouraged to have personal pencil sharpeners as well to keep their pencils sharpened throughout each day.
- Blue or black pen
- Dry-erase marker & eraser
- Eraser

**Locker Shelf (not required)**

Many students find that using a locker shelf helps keep their lockers organized and makes better use of the tall locker space especially in grades 6th - 10th

**Notes:**

- Student planners will be provided by the school at the beginning of the school year. Students will write their homework assignments for each course on each day.
- Students will engage in project work in some classes that require materials such as poster board, glue sticks, colored paper, etc. While students will be given ample notice and time for work on these assignments, some families find it helpful to have such items "on hand."
