

Safe Return to In-Person Instruction and Continuity of Services Plan (ARP Act)

Entity ID	CTDS	LEA NAME
89829	07-85-40-000	Glendale Preparatory Academy

How the LEA will maintain the health and safety of students, educators, and other staff and the extent to which it has adopted policies, and a description of any such policies, on each of the following safety recommendations established by the Centers for Disease Control and Prevention (CDC)

CDC Safety Recommendations	Has the LEA Adopted a Policy? (Y/N)	Describe LEA Policy:
Universal and correct wearing of masks	Y	Optional Face/Mask Coverings: No messaging permitted on face/mask coverings (with exception of academy-related messages). Varied Colors and patterns are permitted.
Modifying facilities to allow for physical distancing (e.g., use of cohorts/podding)	N	Policy was discontinued when the severity of the virus was lessened to the point of other airborne illnesses.
Handwashing and respiratory etiquette	Y	Handwashing etiquette instruction completed at the beginning of school year. Handwashing signs posted in restrooms instructing students and staff on proper handwashing technique. Antibacterial soap in all bathrooms and hand sanitizer is made available to all students and staff. Proper respiratory etiquette (covering coughs and sneezes) is part of curriculum. Students are required to wash hands before eating.
Cleaning and maintaining healthy facilities, including improving ventilation	Y	Electrostatic sprayer in use upon request. Day porter cleans all frequently used surfaces consistently throughout day with antibacterial wipes. Increased airflow during the winter months.
Contact tracing in combination with isolation and quarantine, in collaboration with the State, local, territorial, or Tribal health departments	N	Contact tracing has been discontinued due to the lower degree of severity found with the latest strands of the virus. Isolation and quarantine are in keeping with our policies related to other air-borne illnesses of similar severity.
Diagnostic and screening testing	N	Staff are no longer required to get diagnostic testing.
Efforts to provide vaccinations to school communities	N	
Appropriate accommodations for children with disabilities with respect to health and safety policies	Y	All efforts will be made to accommodate children with disabilities in regards to any implemented health and safety policies in the classroom. Special education and related services will be provided in accordance with students' IEPs, as is possible and feasible, utilizing alternative means if necessary. Considerations will be made as to what method of instruction and accommodations

Safe Return to In-Person Instruction and Continuity of Services Plan (ARP Act)

		are necessary and will provide disabled students with access to a FAPE.
Coordination with State and local health officials	N	Close contacts are no longer reported to county officials.

How the LEA will ensure **continuity of services**, including but not limited to services to address **students' academic needs and students' and staff social, emotional, mental health, and other needs**, which may include **student health and food services**

How the LEA will Ensure Continuity of Services?

Regular health and safety screenings are in place as well as additional staff and observation added to help facilitate in-person learning.

Students' Needs:

Academic Needs	<i>Benchmark testing will take place within four weeks of the first day of school in both ELA and Math. Students who fall below the benchmark will receive interventions in the appropriate subject.</i>
Social, Emotional, and Mental Health Needs	<i>Staff will continue to build relationships with, listen to, and observe students for signs for emotional or mental health distress. Teachers will communicate with the parents when such needs arise. Consultation with the school counselor may be advised.</i>
Other Needs (which may include student health and food services)	<i>All faculty will be trained in recognizing symptoms of illness specific to COVID and in appropriate respiratory hygiene procedures. They are instructed to take immediate action when students exhibit symptoms.</i>

Staff Needs:

Social, Emotional, and Mental Health Needs	<i>Observations, an administrative "open door policy", creation of an avenue for staff to share personal feelings and experiences. Talking one-on-one with a school counselor, referral to employee assistance, team-building opportunities, and personal care professional development.</i>
Other Needs	

The LEA must **regularly, but no less frequently than every six months** (taking into consideration the timing of significant changes to CDC guidance on reopening schools), **review and, as appropriate, revise its plan** for the safe return to in-person instruction and continuity of services **through September 30, 2023**

Date of Revision	August 23, 2023
Public Input	
Describe the process used to seek public input, and how that input was taken into account in the revision of the plan:	Stakeholders sent responses to the plan via email or online form for reporting school problems.
