Inspector
Hound

DIRECTORS' WELCOME

Welcome to the Faculty Show!

Suzy Tamargo
Director

Maia Hunter
Assistant Director

It has been such a joy and a privilege to bring Audience and The Real Inspector Hound to life. Throughout this process, we've shared laughter, challenges, and a love of theater. Seeing these shows come together has been such a rewarding experience. I am especially grateful to our faculty for being willing to step outside of their comfort zones and take a chance on performing. It has been so much fun getting to see another side of the people who teach and support us every day. Their enthusiasm and willingness to be a part of this experience has made this production truly special, and I feel so lucky to have had the opportunity to work with them. I am also so grateful to our wonderful tech crew for the time, energy, and care they have put into making these shows possible. Everyone involved has brought something unique to this production, and it has been a pleasure watching it all come together. Thank you for being here and for supporting everyone who has put their heart and time into this production. We hope you have as much fun watching these shows as we have had putting them together.

Enjoy the show!

-Suzy Tamargo

DRAMA DEPARTMENT

WELCOME

Welcome to the Faculty Show!

Few things are quite as rewarding as seeing my students become teachers! I'm overwhelmed with pride because of how much responsibility and independence these students took in bringing these shows to the stage. Their attention to detail, commitment to excellence, and humble leadership have been so remarkable. Suzy Tamargo and Maia Hunter have truly outdone themselves from the directors' chairs!

Glendale Prep is an extremely special place. My colleagues who auditioned for, committed to, and have shown up continuously to see these productions through have my utmost respect. It's extraordinary to see leadership come full circle—students leading the teachers who have led them, and in turn, inspiring the students who will follow.

Finally, cheers to you, the audience! Without you, we wouldn't have much of a show. Thank you being here tonight.

Enjoy the shows!

Griffins forever,

Mrs. McCauley

Your gift to Community Investment helps bridge the gap between public funding and what it costs to provide our students a Great Hearts education. Your tax-deductible gift stays at Glendale Prep and allows us to support our teachers and offer drama, art, music, poetry, and foreign language daily! Please consider donating to Community Investment so we can continue to offer these programs at GP!

If you have any questions, please contact
