DIRECTORS' WELCOME

Mrs. Suzanne McCauley
Director/Drama Teacher

Mr. Cecil
Assistant Director

Mrs. Wieland
Production Manager

Dear GP Community,

Thank you so much for joining us for this performance. This is such a difficult story to tell. I am beyond proud of the students in it for the seriousness and dedication with which they approached this challenge. We also had a wonderful time together during the rehearsal process!

It's not lost on me that we spend our days at GP examining that which is good, true, and beautiful. Sometimes a non-example of goodness can prove very powerful. One of the things we talked about is how easy it is to find oneself on a road away from what is good and true without even realizing how one got there. As always, there is much to be learned when creating theater and engaging in the fine arts.

Thank you so much for your support of drama at our school. Every student deserves a place to belong, and for the 26 students involved in this production, this is the place. I'll always be thankful that for a moment, they were mine.

Griffins forever,
Mrs. McCauley
